2023 Building Fees

Description

Unit of Measure

2023 Fee
(After Tax)

NOTES

1. Permit application fee is based on \$ per square metre or \$ flat fee.
 2. Square metres is the gross floor area of all floors, mezzanines, lofts and habitable areas for each major occupancy classification measured from the outer face of the exterior walls or center line of a fire separation.
 3. There are no deductions from the gross floor area for openings such as stairs, shafts, etc.
 4. Unfinished basements and crawl spaces are not used in the fee calculation for new construction and additions. Attached garages are not used in the fee calculation for new dwellings.
 5. Major occupancy is based on the Ontario Building Code.
 6. New construction and additions include plumbing and other regulated building services and components but does not include septic systems.
 7. Revisions or amendment to a permit is \$75.00 per hour with a minimum of \$100.00
 8. If the work regulated by the permit cannot be described otherwise, the permit application fee shall be \$12.00 for each \$1,000.00 of the value of the work proposed. The value to be determined by the Chief Building Official.
 9. Relocation permit for a building authorizes the moving of the building only. A separate building permit is required for the foundation and any other construction.
 10. Fees for additions shall be calculated at the same rate as stated for major occupancy.
 11. Where construction has commenced prior to the issuance of a building permit, the prescribed permit fees shall be doubled.
- Construction is defined as placing of concrete; installation of plumbing or buried piping for building drain, sewer drainage pipe or water distribution pipe.
