

THIS PERMIT IS SUBJECT TO THE FOLLOWING CONDITIONS AND TO ANY SUPPLEMENTARY CONDITIONS DEEMED NECESSARY BY THE DIRECTOR OF PUBLIC WORKS AT THE TIME OF ISSUANCE.

5-1 This permit is subject to all Municipal By-laws.

5-2 All works are to be in accordance with current Town of Lincoln Standards and plans approved by the Corporation of the Town of Lincoln. It is the applicant's responsibility to provide all materials (i.e. saddle, meter pit, curb stop, etc.) necessary to complete the works. Please contact the Environmental Services Supervisor at (905) 563-8205 to confirm what you require, prior to commencing work.

5-3 Forty-eight (48) hours notice to be given to Public Works Department at (905) 563-8205 prior to commencement of construction. The applicant is responsible for obtaining all utility locates prior to commencing works. All existing services must be protected to the satisfaction of the applicable utility company.

5-4 The applicant agrees and accepts that a security deposit in an amount specified on the permit will be required by the Corporation of the Town of Lincoln prior to issuance of the permit and that the security deposit will be held for a one (1) year warranty period. The deposit will not be returned until all works, including restoration are completed to the satisfaction of the Corporation of the Town of Lincoln. The applicant further acknowledges that applicable non-refundable fees will be due, upon issuance of a permit.

5-5 Work for which this permit is granted must be completed within six (6) months of the date of issue of the permit or the permit will be void. The applicant further agrees that once work has commenced, it will be completed continuously, expeditiously and without delay.

5-6 The applicant agrees and accepts that should any portion of the works be deemed unsafe or substandard, at the sole discretion of the Director of Public Works, the security deposit may be used without notice, to complete repairs and/or restoration as deemed necessary.

5-7 The applicant agrees to restore all disturbed by this construction to pre-existing conditions or better. Road areas shall be restored as per Town of Lincoln Standard DPW 406. In urban areas curbs, sidewalks, boulevards and any other Town infrastructure must be restored to current Town of Lincoln Standards. In rural areas shoulders to be restored with granular "A", clear of mud, debris, etc. and to the original cross section. Ditches shall be restored to ensure positive drainage.

5-8 The applicant agrees and accepts full responsibility for the provision and maintenance of traffic control measures during construction for safe operation of the roadway and for the protection of pedestrians, at the applicant's sole expense. The road may not be closed without written permission from the Corporation of the Town of Lincoln.

5-9 The applicant agrees and accepts full responsibility for excavating and maintaining safe trench conditions, at the applicant's expense.
